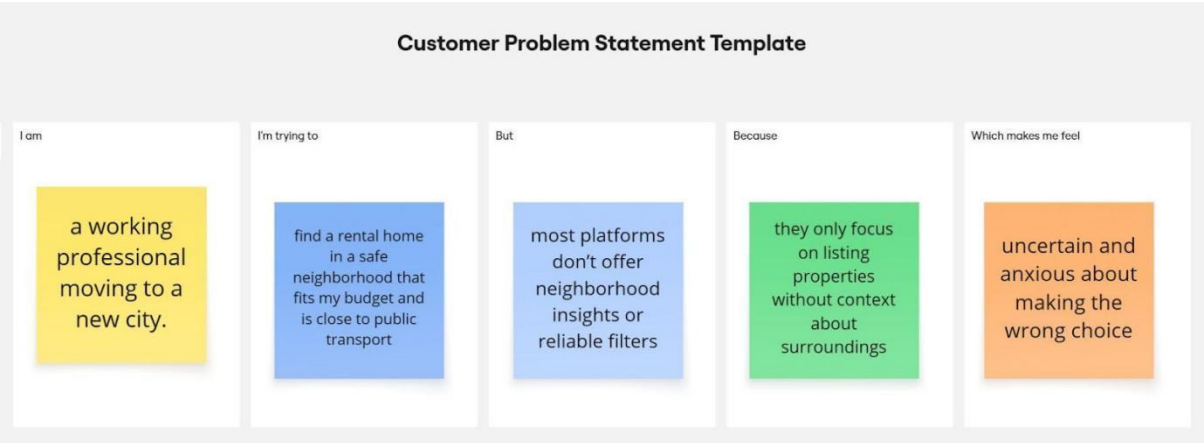
Customer Problem Statement Template:

To define the core problems freelancers face while searching for jobs online, and use those insights to guide the development of Freelance Finder.



Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	a working professional moving to a new city.	find a rental home in a safe neighborhood that fits my budget and is close to public transport	most platforms don't offer neighborhood insights or reliable filters	they only focus on listing properties without context about surroundings	uncertain and anxious about making the wrong choice
PS-2	a student looking for an	find a verified listing with	there's no clear way to identify	many listings are outdated or	confused and

	affordable rental near campus	roommates or shared housing	legit shared housing options	unverified	frustrated during my search
